SARAH SCHULLER
WEB DEVELOPER

Web Developer with effective communication and creative critical thinking skills. Experienced working directly with others to find solutions that benefit the customer and the development team alike.

DEVELOPMENT EXPERIENCE

MYFLIX - FULL STACK DEVELOPEMENT PROJECT
01/2022 - 03/2022

Built a web application using the MongoDB, Express, React, Node.js tech stack, or MERN. This application provides users with information about a variety of movies, along with details about the movie director and genre. Users can register, sign-in, update

HELLO WORLD - REACT NATIVE PROJECT
03/2022 - 04/2022

Created a mobile application using React Native, Expo, Node.JS, Firebase and Android Studio. The app functions as a chat room/messenger for users to communicate via text and send pictures from their library as well as a snapshot of their location via Google Maps.

WORK EXPERIENCE

SENIOR BUSINESS DEVELOPMENT ASSOCIATE AT NQA
07/2019 - Present
- Partner with the National Sales Director to provide internal auditing courses and prep for Trade Shows which result in increased quarterly revenue.
- Support the Regional Sales Managers with quoting and contract entry.
- Produce quotations for key clients following ANAB standards for certification.
- Train two new hires on quotation and contract entry process to ensure sales needs will continue to be met during onboarding.

DEALER SERVICE SPECIALIST AT AUTOMOTIVE FINANCE CORPORATION
06/2018 - 07/2019
- Tracked, received, and sorted automotive titles for AFC inventory.
- Traveled offsite to AFC dealer locations to audit inventory.
- Traveled to automotive auctions to secure new clients and supported existing clients during the sale.
- Balanced and paid daily auctions via ACH or check

CUSTOMER SERVICE REPRESENTATIVE AT DELUXE CORPORATION
05/2015-05/2018
- Earned the Innovation Champion role for Bags & Bows in July 2017. Responsibilities include piloting new sales procedures and providing feedback to the team, resulting in the implementation of new processes.
- Attended the America's Mart Tradeshow in Atlanta from June 14-19 in 2017 as a Bags & Bows representative, generating additional sales for the month.
- Worked on an outbound pilot program to deliver personalized attention to high priority accounts August - October 2016.

EDUCATION

CAREER FOUNDRY - WEB DEVELOPMENT CERTIFICATE
10/2021 - 05/2022

Created a personal portfolio website from scratch using HTML/CSS and Javascript. Built various projects such as a responsive web app that allows users to sort through a list of Google Calendar events by city. Became familiar with the MERN tech stack along with Tyepescript and Angular. Implemented unit and integration testing using Jest.
